LUXURY FOR RENT IT HOTELS 2011

PASSPORT AND LOUIS IN HAND **DANIELA BONETTO** JOINS THE JET-SETTING ELITE OF 2011 TO SHARE WHERE IT'S HOT TO BE CHECKING-IN.

AS THE INTERNATIONAL FIRST CLASS CITIZENS FINALLY SEE THE RECESSION AS SO PASSÉ, IF THEY EVER EVEN SAW THE TAIL OF IT, IT'S OK TO FLAUNT IT AGAIN WITH A LIFESTYLE OF TRAVELING FROM ONE STYLISH OR EXOTIC PLACE TO ANOTHER VIA JET AIRPLANES AND PRIVATE AIRCRAFTS. JET-SETTERS HAVE A MIND OF THEIR OWN WHEN IT COMES TO THINKING ABOUT ROOM SERVICE AND HOTELIERS ARE CONTINUOUSLY ASPIRING TO NEW HEIGHTS TO BRING THESE INDIVIDUALS TO HANG UP DO NOT DISTURB SIGNS ON THEIR DOORS.

FLAIR BRINGS YOU THE NEW WAVE OF LUXURY FOR RENT, AS WE SCOUT THE WORLD THIS MONTH TO BRING YOU THE MOST EXCITING IT HOTELS OF 2011.

NEGRIL

For some serious TLC our setters will want to jet off to Jamaica. On the rhythm of the island a stay at The Caves will have you falling head over heels... over the honeycomb cliffs that is. The Caves is located close to Negril's stunning seven-mile beachfront and endless azure waters. Twelve exclusive cliffside accommodations, a Private Cave Dining, a sensual Cave Rum & Cigar Bar, and a sea view Aveda Amenity Spa offer a refreshingly organic interpretation of romance. The Caves is a hotel built around a rocky outcrop that drops dramatically into the Caribbean with natural volcanic caves and grottos studded along the shore. Need we say more?
